BETTING BANK DOUBLED 21/09/02, STAKE NOW £80.00

In big fields you must have a good draw no matter the race distance | If any inspection is called don't bet

Don't bet plodders around gaffs | be very wary of maidens | Only bet a horse that has n't ran for 35 days if you know it goes well fresh ! Get early price

Be wary of end of season 2yo races as there are too many improving/unexposed runners | always be wary of fillies | tired horses at end of season
